WASATCH COUNTY LIBRARY BOARD

188 South Main Street, Heber City, Utah 84032

Dear Wasatch County Resident;

The goal of the Wasatch County Library Board and Library Staff is to provide its patrons with an increasing and expanding collection of standard and quality printed material, visual media, audio programs, and speaking, listening and learning experiences to make communication a viable ingredient in a satisfying and fulfilling life.

The goal is being met to the degree possible. Because of limited space the library is severely restricted in its collections, in its seating for patrons, young and old, in its computer stations, and in general comfort and ambiance.

The Board has formed a Task Force of volunteers. (You may have considered being one.) That Task Force has been the driving body to create the opportunity for you to respond to some questions that will let the Library Board and the County Commissioners know how you feel about your library and its possible improvement.

The Task Force has consulted with the firm of Dan Jones & Associates, which does professional surveys, and has developed a questionnaire, the answers to which should give the Task Force, the Library Board, and the County Commissioners enough information to decide on how the problems of the library might best be settled to serve patrons and county residents. Enclosed are the questionnaire and a return-addressed, post-paid envelope. Since respondents are anonymous, there are no names or identifying marks on the survey form nor the envelope. If you have any questions, comments, or concerns, please feel free to contact Dan Jones & Associates' office at (801) 322-5722.

We hope you will take a few moments of your valuable time to respond honestly and wholeheartedly. Your input is valued and important, and it will give us the information we need to proceed. We want you to have the service you need and want. If you haven't visited the library recently, we invite you to come, see, and understand. If you don't have a library card, we invite you to get one.

Sincerely,

Wasatch County Library Board
T. LaRen Provost, Commissioner
